

Journey to the Self

Certificate in Understanding Personality Disorders, an Integrative Approach

Saturday 23rd February 2019 10:00-5:00 pm 6 hours CPD

Join our Structured and Experiential Workshop designed to benefit Professionals where your work brings you into contact with individuals suffering from interpersonal difficulties labelled as “**Personality Disorders**”. We will give you the necessary tools for understanding specific personal dynamics involved. You will gain the awareness and essential knowledge forming a solid platform upon which to engage in effective therapeutic or working relationships.

Topics covered

- NHS Diagnosis Clusters A, B and C Personality Disorders
- Understanding Narcissistic, Borderline, Antisocial, Histrionic Personality Disorder Symptoms
- The differences between OCD and Obsessive Compulsive Personality Disorder
- What relational approaches work and why others are not recommended
- Identifying the correct action to take if an individual is suffering from an undiagnosed Disorder
- Managing challenging behaviour within yourself, clients, patients and colleagues
- Assessments, Boundaries, Complaints and Referral Services

Related Theory

Dialectical Behaviour Therapy (DBT), Gestalt, Attachment, Object Relations, Transactional Analysis integrated into Humanistic-Existential practice.
